

## SADE/ESGE dual membership

March, 2016

Dear SADE member

On behalf of the Governing Board of European Society of Gastrointestinal Endoscopy (ESGE), it is our pleasure to inform you that, as of 2016 the cooperation between SADE and the European Society of Gastrointestinal Endoscopy (ESGE) will increase to include dual membership.

SADE members who are interested in taking advantage of the benefits of ESGE membership will now be able to join ESGE (or renew if you are member of ESGE already) at €80 per year via the SADE secretariat.

Through ESGE individual membership, you will have the opportunity to take advantage of ESGE educational offers, a selection of which can be seen below:

- Substantially reduced registration fee for ESGE organized events (e.g. Quality in Endoscopy symposia: [www.quality-in-Endoscopy.org](http://www.quality-in-Endoscopy.org))
- 20% registration fee reduction to ESGE sponsored and endorsed events (approximately 25 per year around the globe)
- Access to eLearning portal free of charge
- Access to ESGE teaching material on the UEG education portal free of charge
- Eligibility for ESGE Fellowship grants: Application available to fully trained endoscopists under 40 years of age. This program includes not only basic training but also hands-on training at ESGE host units
- Eligibility for ESGE Research grants: Application available for three ESGE research grants per year
- ESGE Research activities: Members are encouraged to take part in research projects
- ESGE Guidelines: Members are regularly updated on ongoing guidelines and those interested are encouraged to be actively involved
- Access to the Members Area of the ESGE website
- ESGE membership certificate

We hope you find this offer attractive and look forward to a productive cooperation with you.

Best regards

Lars Aabakken  
ESGE President
